YMCA HUMBER

2024

'Year in Review'

We would love to show you some of the great work that took place across our organisation in 2024.

Welcome

Message from our Chair of Trustees.

As Chair of YMCA Humber, I have been fortunate enough to have been involved in some of the most amazing and innovative projects, working alongside a fabulous group of trustees, all of whom bring the highest level of skills and insights into our organisation.

As we move into the next stage of our journey, I am sadly coming to the end of my tenure as Chair and therefore, my key focus is to welcome new members to our Board, individuals who will become an integral part in the delivery and leadership of our vision and values, and who will continue the exceptional work of YMCA Humber.

Our Board of Trustees support the Senior Leadership Team, helping bring together ideas, energy and resources, making life better in our local community, whilst enabling individuals under our care to grow and achieve their full potential.

This Recruitment Pack provides an insight into our organisation, and hopefully inspire you to consider becoming a key member of our board of trustees.

So, if you have the drive and commitment to truly make a difference to peoples lives we would love to hear from you.

Who we are

We are proud to be part of the wider YMCA Federation, the largest and oldest youth, community and faith based movement in the world. From humble beginnings in the City of London in 1844, the YMCA has grown into a worldwide organisation spanning across 120 countries, serving 64 million people.

YMCA Humber has been independently active in our country since 1882, and remains one of the regions most well known charities, supporting vulnerable people throughout our local community here in the East Marsh and across North East Lincolnshire.

As service needs continued to evolve, we moved into our most exciting phase when in 2021 we moved into our new building 21 Freeman Street. Home to 74 residents, we provide 24/7 support to all through coaching, training, wellbeing and outreach programmes. Our Orwell Street site consists of 26 self-contained studio flats, home to local single people who are able to manage their own tenancy and are in work, higher education, or simply moving on from our supported accommodation. We also provide community housing for single parents and their babies and young families.

When we opened Freeman Street, our ambition was to create a strong community hub for those living in the East Marsh and knew there was a demand for this type of provision in the local area. Over the past 4 years we have been able to provide a 'safe place' for all, through our community Bradbury Café, Youth Development Programmes, wellbeing services and more.

In late 2024, we took on the management of Clee Fields, a state of the art Sports Facility in Grimsby, and have already developed a strong and inclusive environment for teams, youth clubs, and individuals to be part of a local community supported by the teams here at YMCA Humber.

Core Operating Principles

- Everything we do is exceptional quality.
- People we support and engage with feel safe and always welcomed.
- Our developments and plans are built on need and have long term sustainability.
- We strive to develop an extended 'YMCA Family' which allows people to have a fair chance to discover who they are and what they can become.

Our Commitment

We are committed to creating a truly equal and inclusive environment, embracing difference and diversity.

The people we support across the region are diverse individuals and so are we. We aim to recruit and retain great people from a wide variety of backgrounds, not just because it is the right thing to do, but because it makes us stronger. We are committed to welcoming everyone, doing all we can to ensure we provide an inclusive environment where everyone can fulfil their potential and achieve great things, regardless of race, colour, religion, gender, gender identity or expression, sexual orientation, marital status, pregnancy and maternity, national origin, disability or age.

We do not tolerate discrimination of any kind and will challenge all forms of discrimination and social injustice, working with others to educate and enlighten.

Our Values

YMCA Humber is here to be a leader in the transformation of lives and communities in the Humber region.

The way we act at YMCA Humber is characterised by five strong and distinctive values that flow from our Christian ethos, based upon YMCA England and Wales values.

We Seek Out

We actively look for opportunities to make a transformative impact on people's lives in the communities where we work, and believe that every person is of equal value.

We Welcome

We offer people the space they need to feel secure, respected, heard and valued; and we always protect, trust, hope and persevere.

We Inspire

We strive to inspire each person we meet to nurture their body, mind and spirit, and to realise their full potential in all they do.

We Speak Out

We stand up for people, speak out on issues that affect their lives, and help them to find confidence in their own voice.

We Serve Others

We are committed to the wellbeing of the communities we serve and believe in the positive benefit of participation, locally and in the wider world.

Our Charity Objectives

At its heart the wider YMCA puts Christian principles into practice through programmes which build healthy spirit, mind and body for all, welcoming into its fellowship those of all faiths and those of none.
