Join YMCA Humber and Make a Real Difference in Young Lives!

At YMCA Humber, we are dedicated to empowering young people through innovative youth work approaches. From group work and youth club activities to targeted outreach, we provide the support and opportunities that help young people thrive.

We are looking for passionate youth workers to join our dynamic team, delivering structured sessions within our vibrant Youth Club. This is your chance to inspire, energise, and motivate young people aged 5–18, while helping shape a safe, inclusive, and supportive environment at YMCA Humber.

With experience and qualifications in Youth and Child Development, you will facilitate engaging, centre-based programmes for young people in the East Marsh of Grimsby, tailoring activities to meet their diverse needs and helping them develop vital life skills.

You will also take a leading role in our outreach initiatives, building meaningful connections with young people beyond the walls of the youth club. Through community engagement, mentoring, and creative programmes, you will help young people discover their potential, overcome challenges, and gain the confidence and skills they need to succeed. All of this while working alongside a dedicated, collaborative, and passionate team committed to making a real and lasting difference.

If you are ready to empower, inspire, and make an impact, we want you on our team. Come join YMCA Humber and help young people reach their full potential!
